

Did It Again (feat. Kid Cudi)

Shakira

First floor, room 16
Smells like danger, even better
Set your goals, bless our souls
I'm in trouble, but it feels like heaven
You were like one of those guys
The kind with the wandering eyes
But I said, "Hey, what the hell?"
Once in my life I'll take a ride on the wild side
You were so full of yourself
But damn, were you cute as well
You liked my legs, I liked your moves
Anyone could tell not hard to deny that
Did it again, now I got it all wrong
But it felt so right, I can't believe it
And all the mistakes that went on for too long
Wish there was a way I could delete them
Second night in a row
Back in trouble, I don't get it
Gotta keep it down 'cause the lobby called
But we ignore them 'cause it's getting better
When it comes to men, it's known
That I end up choosing wrong
'Cause I always trip and fall
On the same old rock and repeat and go back
How blind a girl can be
To miss you hide your ring?
Lied about everything, I'm so naive
And I should have known that
Did it again, now I got it all wrong
But it felt so right, I can't believe it
And all the mistakes that went on for too long
Wish there was a way I could delete them
It may seem to you that I am in a place
Where I'm losing the direction of my life
But I'm sure that this is nothing but a phase
Right back at ya 'cause I'll survive
It may seem to you that I am in a place
Where I'm losing the direction of my life
But I'm sure that this is nothing but a phase
Right back at ya 'cause I'll survive
Did it again, now I got it all wrong
But it felt so right, I can't believe it
And all the mistakes that went on for too long
Wish there was a way I could delete them
Did it again, now I got it all wrong
