It's You

[Ali Gatie](#)

[Chorus]
It's you, it's always you
If I'm ever gonna fall in love I know it's gonna be you
It's you, it's always you
Met a lot of people but nobody feels like you
So please don't break my heart
Don't tear me apart
I know how it starts, trust me I've been broken before
Don't break me again, I am delicate
Please don't break my heart
Trust me I've been broken before
[Verse 1]
I've been broken yeah I know how it feels
To be open and know that your love isn't real
I'm still hurting yeah I'm hurting inside
I'm so scared to love but if it's for you then I will try[Chorus]
It's you, it's always you
If I'm ever gonna fall in love I know it's gonna be you
It's you, it's always you
Met a lot of people but nobody feels like you
So please don't break my heart
Don't tear me apart
I know how it starts, trust me I've been broken before
Don't break me again, I am delicate
Please don't break my heart
Trust me I've been broken before
[Verse 2]
I know I'm not the best at choosing lovers
We both know my past speaks for itself
If you don't think that we're right for each other
Please don't let history repeat itself
Cause I want you yeah, I want you yeah
There's nothing else I want
I want you, yeah I want you yeah
But I don't wanna lose my heart[Chorus]
It's you, it's always you
If I'm ever gonna fall in love I know it's gonna be you
It's you, it's always you
Met a lot of people but nobody feels like you
So please don't break my heart
Don't tear me apart
I know how it starts, trust me I've been broken again
