

From This Moment On / You're Still the One

Caleb and Kelsey

From this moment life has begun
From this moment you are the one
Right beside you is where I belong
From this moment on Looks like we made it
Look how far we've come, my baby
We might've took the long way
We knew we'd get there someday
They said, "I bet they'll never make it"
But just look at us holding on
We're still together, still going strong I give my hand to you with all my heart
I can't wait to live my life with you
Can't wait to start
You and I will never be apart
My dreams came true because of you
From this moment I have been blessed
I live only for your happiness
And for your love I'd give my last breath But just look at us holding on
We're still together
From this moment on You're still the one
You're still the one I run to
The one that I belong to
You're still the one I want for life
You're still the one
You're still the one that I love
The only one I dream of
You're still the one I kiss good night And you're the reason I believe in love
And you're the answer to my prayers from up above
All we need is just the two of us
My dreams came true because of you
So glad we made it
Look how far we've come, my baby
I will love you as long as I live
From this moment on
