

# From This Moment On / You're Still the One

## Caleb and Kelsey

From this moment life has begun  
From this moment you are the one  
Right beside you is where I belong  
From this moment on Looks like we made it  
Look how far we've come, my baby  
We might've took the long way  
We knew we'd get there someday  
They said, "I bet they'll never make it"  
But just look at us holding on  
We're still together, still going strong I give my hand to you with all my heart  
I can't wait to live my life with you  
Can't wait to start  
You and I will never be apart  
My dreams came true because of you  
From this moment I have been blessed  
I live only for your happiness  
And for your love I'd give my last breath But just look at us holding on  
We're still together  
From this moment on You're still the one  
You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
You're still the one  
You're still the one that I love  
The only one I dream of  
You're still the one I kiss good night And you're the reason I believe in love  
And you're the answer to my prayers from up above  
All we need is just the two of us  
My dreams came true because of you  
So glad we made it  
Look how far we've come, my baby  
I will love you as long as I live  
From this moment on
