From This Moment On / You're Still the One

Caleb and Kelsey

From this moment life has begun From this moment you are the one Right beside you is where I belong From this moment onLooks like we made it Look how far we've come, my baby We might've took the long way We knew we'd get there someday They said, "I bet they'll never make it" But just look at us holding on We're still together, still going strong give my hand to you with all my heart I can't wait to live my life with you Can't wait to start You and I will never be apart My dreams came true because of you From this moment I have been blessed I live only for your happiness And for your love I'd give my last breathBut just look at us holding on We're still together From this moment on You're still the one You're still the one I run to The one that I belong to You're still the one I want for life You're still the one You're still the one that I love The only one I dream of You're still the one I kiss good nightAnd you're the reason I believe in love And you're the answer to my prayers from up above All we need is just the two of us My dreams came true because of you So glad we made it Look how far we've come, my baby I will love you as long as I live From this moment on Song Discussions is protected by U.S. Patent 9401941.
