

# If?

## Michel'le

We're all alone, How could this be?  
I don't know you & you're here with me. But the question is girl do we go on.  
Cause if you want me baby  
Now tell me how could this be wrong. If I make love to you baby If I make love to you.  
If we make lo-ove will I see you again. If I make love to you baby  
If I make love to you If we make lo-ove will I see you again (again) My answer is such boy we  
just met  
And it's much too soon to speak about that just yet.  
Girl I'm not the type of guy to put a rush on you,  
But I can tell I can tell that you really want me too. If I make love to you If I make love to you If  
we make lo-ove will I see you again If I make llllove to you baby If I make looove to you  
If we make lo-ove will I see you again  
and again and again and again oh yea) I just can't make a big mistake & later wished I'd put on  
the brakes  
Before we have something boy that could really be All I wanna know what is real all I know is  
how I feel & right now I said right now girl I want to make love to you. If i make love to  
youuu (if I make love to you tell me)  
If we make lo-ove will I see you again If I make loooooo-ovve  
If I make love to you If we make love will I see you again I don't know what the question is, (If)  
but we need to make love  
i wanna make love to you to you baby  
will I see you again (yes you see me again & again & again) If I make love if I make love to you  
will I see you again (yes you see me see me see me again) I don't wanna be here all alone (If) I  
wanna making sweet love. I'll make it good I'll make it good to you baby yeah, yeaah.
