

Nothing Else Matters

Apoptygma Berzerk

So close no matter how far
Couldn't be much more from the heart
Forever trusting who we are
'Cuz nothing else matters Never opened myself this way
Life is ours, we do it our way
All these words I just don't say
'Cuz nothing else matters Never cared for what they do, no
Never cared for what they know, no
But I know
So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
'Cuz nothing else matters Never cared for what they do, no
Never cared for what they know, no
Never cared for what they do, no
But I know Trust I seek but I find in you
Every day for us something new
Open mind for a different view
'Cuz nothing else matters, oh
So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
'Cuz nothing else matters
'Cuz nothing else matters
