

Church of the Poison Mind

Culture Club

Desolate loving in your eyes
You used to make my life so sweet
Step out like a god found child
I saw your eyes across the street Ooh, I've been a fool to take you to be
More than just kind, to stare
Into a life of maybe, love
Is hard to find In the church of the poison mind
In the church of the poison mind
In the church of the poison mind Watch me clinging to the beat
I had to fight to make it mine
That religion you could sink in neat
Just move your feet an' you'll feel fine
Ooh, I've been a fool to maybe trade,
A kiss in time, and who
Am I to say that's crazy
Love will make you blind In the church of the poison mind
In the church of the poison mind
In the church of the poison mind Desolate loving in your eyes
You used to make my life so sweet
Step out like a god found child
I saw your eyes across the street Ooh, I've been a fool to take you to be
More than just kind, to stare
Into a life of maybe, love
Is hard to find
(repeat to fade):
In the church of the poison mind
In the church of the poison mind
In the church of the poison mind
