Don't Think Twice, It's All Right

Bob Dylan

It ain't no use to sit and wonder why, babe It don't matter, anyhow And it ain't no use to sit and wonder why, babe If you don't know by now When your rooster crows at the breaks of dawn Look out your window and I'll be gone You're the reason I'm traveling onDon't think twice, it's all rightIt ain't no use in turning on your light, babe That light I never knowed And it ain't no use in turning on your light, babe I'm on the dark side of the road But I wish there was somethin' you would do or say To try and make me change my mind and stay We never did too much talking anyway So don't think twice, it's all rightIt ain't no use in calling out my name, gal Like you never done before It ain't no use in calling out my name, gal I can't hear you any more I'm a-thinking and a-wond'rin' walking down the road I once loved a woman, a child I'm told I give her my heart but she wanted my soulDon't think twice, it's all right So long honey, babe Where I'm bound, I can't tell Goodbye's too good a word, babe So I'll just say fare thee well I ain't saying you treated me unkind You could have done better but I don't mind You just kinda wasted my precious timeBut don't think twice, it's all right Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
