

# Until the Pain Is Gone (feat. Jill Scott)

Daley

Try to see this through my eyes  
'Cause you're not the only one confused  
In this world where love is prone to lose  
Still I'm ready to give this thing a try  
But how do I give to someone  
Who wants what they can't have? So if you need love, say it  
I know that you feel it but I can't  
Keep holding on and on and on  
I need to be the only one  
Yeah, 'cause I know that you get lonely  
So show me the things you're scared to show me  
And we can go on and on and on  
'Til the pain is gone  
I don't even know if I believe in love  
But in it with you I'd like to be  
I've just been so cynical, baby  
So can you convince me change my mind?  
We can leave all those demon days behind  
'Cause, didn't I mention?  
I have nothing but good intentions for you So if you need love, say it  
I know that you feel it but, I can't  
Keep holding on and on and on  
I need to know that I'm the one  
Yeah, 'cause I know that you get lonely  
So show me the things you're scared to show me  
We can go on and on and on  
'Til the pain is gone  
( 'Til the pain is gone)  
The pain that you knew before  
(Pain that knew before)  
It don't matter any more  
(Don't matter any more) So if you need  
So if you need love, say it  
I know that you feel it but, I can't  
Keep holding on and on and on  
I need to know that I'm the one  
Yeah, 'cause I know that you get lonely  
So show me the things you're scared to show me  
We can go on and on and on  
'Til the pain is gone, pain is gone
