Drive By

Train

On the other side of a street I knew Stood a girl that looked like you I guess that's déjà vu But I thought this can't be true 'Cause you moved to west LA Or New York or Santa Fe Or wherever to get away from meOh but that one night Was more than just right I didn't leave you 'cause I was all through Oh I was overwhelmed and frankly scared as hell Because I really fell for you Oh I swear to you I'll be there for you This is not a drive by Just a shy guy looking for a two-ply Hefty bag to hold my love When you move me everything is groovy They don't like it sue me Mmm the way you do me Oh I swear to you I'll be there for you This is not a drive byOn the upside of a downward spiral My love for you went viral And I loved you every mile you drove away But now here you are again So let's skip the "how you been" And get down to the "more than friends" at last Oh but that one night Is still the highlight I didn't need you until I came to And I was overwhelmed and frankly scared as hell Because I really fell for youOh I swear to you I'll be there for you This is not a drive by Just a shy guy looking for a two-ply Hefty bag to hold my love When you move me everything is groovy They don't like it sue me Mmm the way you do me Oh I swear to you I'll be there for you This is not a drive byPlease believe

That when I leave There's nothing up my sleeve But love for you And a little time to get my head together tooOn the other side of a street I knew Stood a girl that looked like you I guess that's déjà vu But I thought this can't be true 'CauseOh I swear to you I'll be there for you This is not a drive by Just a shy guy looking for a two-ply Hefty bag to hold my love When you move me everything is groovy They don't like it sue me Mmm the way you do me Oh I swear to you I'll be there for you This is not a drive by
