Alone

Heart

I hear the ticking of the clock I'm lying here the room's pitch dark I wonder where you are tonight No answer on the telephone And the night goes by so very slow Oh I hope that it won't end though AloneTill now I always got by on my own I never really cared until I met you And now it chills me to the bone How do I get you alone How do I get you alone You don't know how long I have wanted To touch your lips and hold you tight, oh You don't know how long I have waited and I was going to tell you tonight But the secret is still my own and my love for you is still unknown Alone Till now I always got by on my own I never really cared until I met you And now it chills me to the bone How do I get you alone Alone, alone Song Discussions is protected by U.S. Patent 9401941.
