

Bang Bang

K'naan

She shot me, she shot me, bang, bang, she shot me
She shot me, she shot me, bang, bang, she shot me
She shot me, she shot me, bang, bang, she shot me
She shot me, she shot me, bang, bang (Get out the way, yo)
There she goes again, the girl is Ethiopian In other words, she came through explodin'
In the podium, dynamite
Napoleon like sodium mixed with petroleum
Slowly but surely, she was walking toward me
Cut the convo short 'cause she had to wake up early But continuing the story
Don't worry she gave me digits for her Blackberry"
You're very handsome" is what she said
And the way she looked in my eyes said, "
Put me to bed"
Oh my, oh my, I should have known
When she said to me on the phone
You do not know me very well but I would never hurt a fly
Then she aimed at my chest with love in her eye
I said, she aimed for my chest with love in her eye She was walkin' around with a loaded
shotgun
Ready to fire me a hot one, it went bang, bang, bang
Straight through my heart
Although I could have walked away
I stood my ground and let her spray She shot me, she shot me, bang, bang, she shot me
She shot me, she shot me, bang, bang, she shot me
She shot me, she shot me, bang, bang, she shot me
She shot me, she shot me, bang, bang Scorpion, she's so hot, she's a scorchin'
Killing me softly, Lauryn or Kevorkian
Couldn't tell if she's coo-coo or corky, when
I asked her her name and she said, "
Call me Ten"
Testing, testing, things just got more interesting
She's dressed in a vest pin, double-breasted holster
A very western toaster, she ain't nothing Kosher
She lets me closer, hotter than a pepper crustedsamosa While I try to keep my composure
She was walkin' around with a loaded shotgun
Ready to fire me a hot one, it went bang, bang, bang
Straight through my heart
Although I could have walked away I stood my ground and let her spray
She shot me, she shot me, bang, bang, she shot me
She shot me, she shot me, bang, bang, she shot me
She shot me, she shot me, bang, bang, she shot me She shot me, she shot me, bang, bang
Am I wrong?

But what is love without the pain to go along?
And what is pain, if not the reason for me to sing this song? And this song is for the weak and
for the strong'

Cause I was strong and still

She got me, she got me, bang, bang, she got me

She got me, she got me, bang, bang

She was walkin' around with a loaded shotgun

Ready to fire me a hot one, it went bang, bang, bang

Straight through my heart

Although I could have walked away

I stood my ground and let her spray

She shot me, she shot me, bang, bang, she shot me

She shot me, she shot me, bang, bang, she shot me

She shot me, she shot me, bang, bang, she shot me

She shot me, she shot me, bang, bang
