

# Imagination

Shawn Mendes

Oh, there she goes again  
Every morning is the same  
You walk on by my house  
I wanna call out your name  
I wanna tell you how beautiful you are  
From where I'm standing You got me thinking  
What we could because  
I keep craving, craving  
You don't know it but it's true  
Can't get my mouth to say the words  
They wanna say to you  
This is typical of love  
Can't wait anymore  
Won't wait, I need to tell you  
How I feel when I see us together forever  
In my dreams  
You're with me  
We'll be everything I want us to be  
And from there, who knows?  
Maybe this will be the night  
That we kiss  
For the first time  
Or is that just me  
And my imagination? We walk  
We left we spend our time  
Walking by the ocean side  
Our hands are gently intertwined  
A feeling I just can't describe  
And all this time we spent alone  
Thinking we could not belong  
To something so damn beautiful  
So damn beautiful  
I keep craving, craving  
You don't know it but it's true  
Can't get my mouth to say the words  
They wanna say to you  
This is typical of love  
Can't wait anymore  
Won't wait I need to tell you how I feel  
When I see us together forever In my dreams  
You're with me  
We'll be everything I want us to be

And from there, who knows?  
Maybe this will be the night  
That we kiss  
For the first time  
Or is that just me  
And my imagination? Oh, oh, oh, oh, oh  
Imagination  
Oh, oh, oh, oh, oh  
Imagination  
Oh, oh, oh, oh, oh In my dreams  
You're with me  
We'll be everything I want us to be  
And from there, who knows?  
Maybe this will be the night  
That we kiss  
For the first time  
Or is that just me  
And my imagination? I keep craving, craving  
You don't know it but it's true  
Can't get my mouth to say the words  
Wanna say to you
