

Tell Me If You Wanna Go Home

[Keira Knightley](#)

Oh maybe
You don't have to kill so kind
Pretend to ease my mind
When baby you won't
Oh sugar
You don't have to be so sweet
I know who you are going to meet Don't say that I don't
So maybe
I won't let your memory haunt me
I'll be sleepwalking with the lonely
If you're taking me home
Tell me if I'm back on my own
Giving back a heart that's on loan
Just tell me if you wanna go home Tell me if you wanna go home ('Cause I am just not sure)
Tell me if I am back on my own (How to get back there)
Giving back a heart that's on loan (And I just can't bear)
Tell me if you wanna go home (If you're not there)
If you're taking me home
Tell me if I'm back on my own
Giving back a heart that's on loan
Tell me if you wanna go Wanna go, wanna go, wanna go, wanna
'Cause I am just not sure
How to get back there
And I just can't bear
If you're not there
Tell me if you wanna go home ('Cause I'm just not sure)
Tell me if I am back on my own (How to get back there)
Giving back a heart that's on loan (And I just can't bear)
Just tell me if you wanna go
wanna go, wanna go, wanna go, wanna
Wanna go, wanna
Wanna go, wanna
