

Valentine

Pentatonix

Oh, friend of mine
Will you be mine?
Please don't be so...
It's OK to be terrified (terrified)
Please don't be so shy So will you never be my lover or my valentine never
Be a friend of mine, never see my better side
Maybe you'd be terrified of all the secrets
you were wishing you won't ever find is deep inside me And I don't wanna hide me.
Cause I know about my love
Cause I know about my love
Cause I know about my love
Cause I know about my love
Pick it fast like a flight far away from here
although I know I feel at home whenever you are near
Live my life, like you better cold cut to this
I wish you'd hold me open just to see your vision clear
'Cause I know about my love ('Cause I know about my love)
'Cause I know about my love ('Cause I know about my love)
'Cause I know about my love ('Cause I know about my love)
'Cause I know about my love ('Cause I know about my love) 'Cause I know about my love
'Cause I know about my love
About my love
About my love About my love
Oh, friend of mine
Will you be mine?
Please don't be so...
It's OK to be terrified (terrified)
Please don't be so shy
