

# Tourniquet

## Marilyn Manson

She's made of hair and bone and little teeth  
And things I cannot speak  
She comes on like a crippled plaything  
Spine is just a string  
I wrapped our love in all this foil  
Silver-tight like spider legs  
I never wanted it to ever spoil  
But flies will lay their eggs  
Take your hatred out on me  
Make your victim my head  
You never ever believed in me  
I am your tourniquet  
Prosthetic synthesis with butterfly  
Sealed up with virgin stitch  
If it hurts baby, please tell me  
Preserve the innocence  
I never wanted it to end like this  
But flies will lay their eggs  
Take your hatred out on me  
Make your victim my head  
You never ever believed in me  
I am your tourniquet  
What I wanted  
What I needed  
I got from me  
What I wanted  
What I needed  
I got from me  
Take your hatred out on me  
Make your victim my head  
You never ever believed in me  
I am your tourniquet  
Take out  
Take out  
From me  
I am your tourniquet  
Not even I believed in me  
I am your tourniquet
