We Found Love (feat. Rihanna)

Calvin Harris

YYellow diamonds in the light

And we're standing side by side

As your shadow crosses mine

What it takes to come alive

It's the way I'm feeling I just can't deny

But I've gotta let it goWe found love in a hopeless place

We found love in a hopeless place

We found love in a hopeless place

We found love in a hopeless place

Shine a light through an open door

Love and life I will divide

Turn away cause I need you more

Feel the heartbeat in my mindIt's the way I'm feeling I just can't deny

But I've gotta let it goWe found love in a hopeless place

We found love in a hopeless place

We found love in a hopeless place

We found love in a hopeless placeYellow diamonds in the light

And we're standing side by side

As your shadow crosses mine

We found love in a hopeless place
