

When Life Is Good Again

Dolly Parton

When life is good again
I'll be a better friend
A bigger person when
Life is good again More thoughtful than I've been
I'll be so different then
More in the moment when
Life is good again I'll open up my heart
And let the whole world in
I'll try to make amends
When life is good again We've been brought to our knees
We've been so ill at ease
There are no guarantees
But you know life goes on
This too shall pass away
Bring new and different days
We need to change our ways
And right our wrongs Let's open up our hearts
And let the whole world in
Let's try to make amends
When life is good again I'll open up my doors again
And hear the message in the wind
Repent of all my sins
(Hallelujah)
When life is good again I'll try to be someone
On which you can depend
A helping hand to lend
Let's open up our eyes
To see what's goin' on
If we're to move along,
From where we've been Let's open up our hearts
And let the love shine in
(Shine in)
We've all got knees to bend
And we'll just pray till then
Ask God's forgiveness when
Life is good again And it's gonna be good again
(It's gonna be)
(It's gonna be)
It's gonna be good again
It'll be alright
(It'll be alright) God's the reason for all things
You want rainbows

You get rain
We'll all be forever changed I'll sell my boat and fly my kite
Walk in the park
Go out at night
And hold my loved ones extra tight When everything is on the mend
I'll even drink with my old friends
Sing and play my mandolin
We'll make it through this long dark night
Darkness fades when faced with light
But everything's gonna be alright when life is good again
