## When Life Is Good Again

## **Dolly Parton**

When life is good again

I'll be a better friend

A bigger person when

Life is good againMore thoughtful than I've been

I'll be so different then

More in the moment when

Life is good againI'll open up my heart

And let the whole world in

I'll try to make amends

When life is good againWe've been brought to our knees

We've been so ill at ease

There are no guarantees

But you know life goes on

This too shall pass away

Bring new and different days

We need to change our ways

And right our wrongsLet's open up our hearts

And let the whole world in

Let's try to make amends

When life is good againI'll open up my doors again

And hear the message in the wind

Repent of all my sins

(Hallelujah)

When life is good againI'll try to be someone

On which you can depend

A helping hand to lend

Let's open up our eyes

To see what's goin' on

If we're to move along,

From where we've beenLet's open up our hearts

And let the love shine in

(Shine in)

We've all got knees to bend

And we'll just pray till then

Ask God's forgiveness when

Life is good againAnd it's gonna be good again

(It's gonna be)

(It's gonna be)

It's gonna be good again

It'll be alright

(It'll be alright)God's the reason for all things

You want rainbows

You get rain
We'll all be forever changedI'll sell my boat and fly my kite
Walk in the park
Go out at night
And hold my loved ones extra tightWhen everything is on the mend
I'll even drink with my old friends
Sing and play my mandolin
We'll make it through this long dark night
Darkness fades when faced with light
But everything's gonna be alright when life is good again
