

# Some Kinda Wonderful

## Sky

I came upon my crossroads yesterday  
I met her on a ship just west of Eyeball Bay  
we ate fish and we listened to some old time rock'n roll  
she said "you can call me baby if you let me hold your soul"  
but it's because she's wonderful  
the guys they look her way  
she's some kinda big shot- Chorus -  
she's some kinda wonderful  
she makes a mean steak  
and she's an' eyeful  
my baby she's some kinda wonderful to me  
she's some kinda wonderful to me  
she's some kinda wonderful  
forget it snowflake she is mine  
so you just say she's wonderful  
and then be on your way  
she's some kinda wonderful you see  
we bought a little house on highball way  
great kids, nice home  
and a brand new chevrolet  
all my neighbors and friends say  
the wife is a little bit strange  
I know the eyes are freaky  
and the horns are there to staybut it's because she's wonderful  
the guys they look her way  
she's some kinda big shot  
she's some kinda wonderful  
she makes a mean steak  
and she's an' eyeful  
my baby she's some kinda wonderful to me  
she's some kinda wonderful to me  
she's some kinda wonderful  
forget it snowflake she is mine  
so you just say she's wonderful  
and then be on your way  
she's some kinda wonderful you see  
she's some kinda wonderful  
she makes a mean steak  
and she's an' eyeful  
my baby she's some kinda wonderful to me  
she's some kinda wonderful to me  
she's some kinda wonderful  
forget it snowflake she is mine

so you just say she's wonderful  
and then be on your way  
she's some kinda wonderful you see.
