Ready Set Go (feat. Capital Kings)

Royal Tailor

Lived so long with my eyes on me Too deaf to hear, too blind to see, oh Broken hearts on the city streets but

I can hear that you're calling me to Be the hope, be the light, be the love

Right now, starting right nowOh, you put my life in motion

Your love makes me want to give my

Ah-oh-oh-ohoh-uh-oh-all

Ready set go

Ready set go (oh)

So no, I'm not holding back anymore

Like an engine ready to ex-

Ploh-oh-oh-oh-uh-oh-ode

I'm ready set go

Ready set go (oh, oh)Can't stop this clock is counting down

(down, down)

So many lost waiting to be found

(waoah yeah)

I would go where you're leading me, God

Reach my hands to the least of theseI'll be the hope, be the light, be the love Right now, starting right nowOh, you put my life in motion

Your love makes me want to give my

Ah-oh-oh-ohoh-uh-oh-all

Ready set go

Ready set go (oh)

So no, I'm not holding back anymore

Like an engine ready to ex-

Ploh-oh-oh-oh-uh-oh-ode

And ready set go

Ready set go (oh, oh)Give me the green light

Show me the finish line

No more spinning in circles

No more wasting time

So let it start today

Where I flip the switch and say

You're my light, I won't fight

I'll go wherever you say

To the top of the highest mountain

To the bottom of every valley

I'll be the spark that turns

Into the grand finale

This love is something Everyone needs to know

Hearts are callin' No more stalling, it's just Ready set goBroken hearts on the city streets but I can hear that you're calling me to Be the hope, be the light, be the love Right now, starting right now Oh, you put my life in motion Your love makes me want to give my Ah-oh-oh-ohoh-uh-oh-all Ready set go Ready set go (oh) So no, I'm not holding back anymore Like an engine ready to ex-Ploh-oh-oh-oh-uh-oh-ode And ready set go Ready set go (oh, oh)
