

Barefoot in the Park (feat. ROSALÍA)

James Blake

[Verse 1: ROSALÍA]

Agujerito del cielo
Cuelando el brillo de Dios
Un rayo cayó en tus ojo'
Y me partió el corazón
Agujerito del cielo
Díctame por dónde ir
Para yo no equivocarme

Y así ver mi porvenir[Pre-Chorus: James Blake, Both]

When you're done with me
I see a negative space
What you've done for me
You need to lose someday
Who needs to pray?

Who needs balance? I'll see you every day

[Chorus: James Blake & ROSALÍA]

Barefoot in the park
You start rubbing off on me
Barefoot in the park
You start rubbing off on me[Verse 2: ROSALÍA, Both]

Ya tengo to' lo que quiero
Ya no puedo pedir má'
Cuando te tengo a mi la'o
Lo pasa'o se queda atrás'
Si te apartan de mi vera
Y te tuviera que encontrar
Hasta allá te encontraría
Como el río va a la mar

[Chorus: James Blake & ROSALÍA]

Barefoot in the park
You start rubbing off on me
Barefoot in the park
You start rubbing off on me[Bridge: James Blake, Both]

Saturn starts turning off each ring
Sky's looking up I think
I call off the chase

Who needs balance? I'll see you every day[Chorus: James Blake & ROSALÍA]

Barefoot in the park
You start rubbing off on me
Barefoot in the park
You start rubbing off on me[Outro]
You start-you start rubbing off-rubbing off on me-off on me

Barefoot in-barefoot in the park-in the park
You start-you start rubbing off-rubbing off on me-off on me
