

# Replay

## Lady Gaga

Am I, am I, am I  
Am I, am I, am I Am I still alive? Where am I? I cry  
Who was it that pulled the trigger, was it you or I?  
I'm completely numb, why you acting dumb?  
I won't blame myself 'cause we both know you were the one I don't know what to do, you don't  
know what to say  
The scars on my mind are on replay, r-replay  
The monster inside you is torturing me  
The scars on my mind are on replay, r-replay, eh-eh Replay, r-replay, eh-eh  
The scars on my mind are on replay, r-replay, eh-eh Every single day, yeah, I dig a grave  
Then I sit inside it, wondering if I'll behave  
It's a game I play, and I hate to say  
You're the worst thing and the best thing that's happened to me  
I don't know what to do, you don't know what to say  
The scars on my mind are on replay, r-replay  
The monster inside you is torturing me  
The scars on my mind are on replay, r-replay, eh-eh Replay, r-replay, eh-eh  
The scars on my mind are on replay, r-replay, eh-eh Psychologically, it's something that I can't  
explain  
Scratch my nails into the dirt to pull me out okay  
Does it matter, does it matter? Damage is done  
Does it matter, does it matter? You had the gun  
You had the gun  
You had the gun  
You had the gun I don't know what to do, you don't know what to say  
The scars on my mind are on replay, r-replay  
The monster inside you is torturing me  
The scars on my mind are on replay, r-replay, eh-eh  
Your monsters torture me  
Your monsters torture me  
Your monsters torture me  
The scars on my mind are on replay, r-replay, eh-eh
