

# If We Ever Meet Again (feat. Katy Perry)

## Timbaland

What's somebody like you doing in a place like this?  
Say, did you come alone or did you bring all your friends?  
Say, what's your name, what you drinking?  
I think I know what you're thinking  
Baby what's your sign, tell me yours I'll tell you mine  
Say, what's somebody like you doing in a place like this? I'll never be the same  
if we ever meet again  
Won't let you get away  
say, if we ever meet again  
This free fall's, got me so  
Kiss me all night, don't ever let me go  
I'll never be the same  
If we ever meet again  
say if we ever meet again Do you come here much? I swear I've seen your face before  
Hope you don't see me flash, but I can't help but want you more, more  
Baby tell me what's your story  
I ain't shy, don't you worry  
I'm flirting with my eyes, wanna leave with you tonight So do you come here much, I gotta see  
your face some more, some more  
Coz baby I'll never be the same  
if we ever meet again  
Won't let you get away  
say, if we ever meet again  
This free fall's, got me so  
Kiss me all night, don't ever let me go I'll never be the same  
If we ever meet again  
say if we ever meet again  
If we ever meet again  
I'll have so much more to say  
(if we ever meet again)  
If we ever meet again  
I won't let you go away  
(said if we ever meet again)  
If we ever meet again I'll have so much more to say  
(say if we ever meet again)  
If we ever meet again  
I won't let you go away I'll never be the same  
if we ever meet again  
Won't let you get away  
say, if we ever meet again This free fall's, got me so  
Kiss me all night, don't ever let me go  
I'll never be the same

If we ever meet again  
say if we ever meet again I'll never be the same  
if we ever meet again  
Won't let you get away  
say, if we ever meet again  
This free fall's, got me so  
Kiss me all night, don't ever let me go  
I'll never be the same  
If we ever meet again  
say if we ever meet again
