

# You & I (Nobody In the World)

John Legend

You fix your make up, just so  
Guess you don't know, that your beautiful  
Try on every dress that you own  
You were fine in my eyes, a half hour ago  
If your mirror won't make it any clearer I'll  
Be the one to let you know  
Out of all the girls  
You my one and only girl  
Ain't nobody in the world tonight  
All of the stars, you make them shine like they were ours  
Ain't nobody in the world but you and I  
You and I  
Ain't nobody in the world but you and I  
You stop the room when we walk in  
Spotlights on everybody staring  
Tell all of these boys, they wasting their time  
Stop standing in line, cause your all mine  
And this evening I, won't let the feeling die  
I never wanna leave your side  
Out of all the girls  
You my one and only girl  
Ain't nobody in the world tonight  
All of the stars you make them shine like they were ours  
Ain't nobody in the world but you and I  
You and I  
Ain't nobody in the world  
You keep wondering if you're what I'm wanting  
You don't even have to try  
You don't have to try  
Don't try  
Don't try  
You don't have to try  
Out of all the girls  
You my one and only girl  
Ain't nobody in the world tonight  
All of the stars, they don't shine brighter than you are  
Ain't nobody in the world but you and I  
You and I  
You and I  
Nobody in the world tonight  
Ain't nobody in the world but you and I
