

# Can't Rely on You

## Paloma Faith

Hey, come on, get it  
Come on with it  
Help meHow will you gon' do love this way?  
I work so hard for you everyday  
While you're out, late night  
Doing what you do  
Chilling with who?  
While I'm sitting at home  
Come on with it!  
(I don't know what this world is coming to)I just can't rely on you (just can't rely on you)  
I just can't rely on you (just can't rely on you)  
Yeah, you got that good stuff but that don't last  
So I just can't rely on you (just can't rely on you)  
Oh, Lord  
How am I to ever explain?  
I'm a melted awkward and right down the drain  
'Cause if you don't want me (release)  
Repeat (believe)  
Want some (want some)  
Take me  
He will take right out your way  
Come on with it!  
(I don't know what this world is coming to)I just can't rely on you (just can't rely on you)  
I just can't rely on you (just can't rely on you)  
Yeah, you got that good stuff but that don't last  
So I just can't rely on you (just can't rely on you)  
Time to go  
Really  
You can say what you want  
But I'm out that door  
Can't stop me  
Oh, my man  
Oh, Lord  
(I don't know what this world is coming to)I just can't rely on you (just can't rely on you)  
I just can't rely on you (just can't rely on you)  
Yeah, you got that good stuff but that don't last  
So I just can't rely on you (just can't rely on you)Just pulling in like it is  
Wait a minute  
Wait a minute  
Change your ways  
You don't deserve it, babe  
Look at here

'Cause that's why you drive me out of my mind I just can't rely on you (just can't rely on you)  
I just can't rely on you (just can't rely on you)  
Yeah, you got that good stuff but that don't last  
Ain't good enough for me, baby  
(Just can't rely on you)
