

# Eyes Wide Open

Sabrina Carpenter

La di da da da na  
YeahEverybody loves to tell me I was born an old soul  
Better keep my eyes wide open  
There's so much that I don't know  
Just another hotel room  
Never felt so all alone  
I think about my granddad's eyes  
And they always send me home  
I can almost hear him now  
Gotta make him proudI keep my eyes wide open  
Bless this ground, unbroken  
I'm about to make my way  
Heaven help me keep my faith  
And my eyes wide open  
I can't see two steps ahead of me  
When the fog comes rollin' in  
I never thought I'd miss the rain  
Lord knows how long it's been  
This dream burns inside of me  
And I can't just let it go  
There's still so much that I don't knowI keep my eyes wide open  
Bless this ground, unbroken  
I'm about to make my way  
Heaven help me keep my faith  
And my eyes wide openAll I have is just this moment  
And I don't want to miss a second  
'Cause it could all be gone in an instant  
Yeah, in an instant  
I keep my eyes wide open  
Bless this ground, unbroken  
I'm about to make my way  
Heaven help me keep my faith  
And my eyes wide openI'm about to make my way  
Heaven help me keep my faith  
My eyes wide openI keep my eyes wide open
