Bad bad whiskey
Bad bad whiskey
Bad bad whiskeyMade me lose
My happy home
Made me lose
My happy homeWhiskey, endless women
Is driving me out of my mind
For every time I get a lover
That's tough you know
I think I'm doin' just fineBad bad whiskey
Bad bad whiskey
Bad bad whiskey
Made me lose
My happy home
Made me lose
My happy homeI went out last night
Finally knocked myself outta sight
I've got full of that bad stuff
And almost started a fightBad bad whiskey
Bad bad whiskey
Bad bad whiskeyMade me lose
My happy home
Made me lose
My happy home
I wanna tell you, baby
Now I'm just feeling just fine
I think, I'll stop drinking whiskey
And go back to bad wineBad bad whiskey
Bad bad whiskey
Bad bad whiskeyMade me lose
My happy home
Made me lose
My happy home
Let me tell you, nowOh that bad whiskey
Oh that bad whiskey
Oh that no good whiskey
Oh that bad bad whiskey
