

I Can't Make You Love Me

Nina

Turn down the lights, turn down the bed
Turn down these voices inside my head
Lay down with me, tell me no lies
Just hold me closely, dont patronize - dont patronize mecause I cant make you love me if you
dont

You cant make your heart feel something it wont
Here in the dark, in these final hours
I will lay down my heart and Ill feel the power
But you wont, no you wontcause I cant make you love me, if you dont
Ill close my eyes, then I wont see
The love you dont feel when youre holding me
Morning will come and Ill do whats right
Just give me till then to give up this fight
And I will give up this fight
cause I cant make you love me if you dont
You cant make your heart feel something it wont
Here in the dark, in these final hours
I will lay down my heart and Ill feel the power
But you wont, no you wont
cause I cant make you love me, if you dont
