I Can't Make You Love Me

Nina

Turn down the lights, turn down the bed Turn down these voices inside my head Lay down with me, tell me no lies Just hold me closely, dont patronize - dont patronize mecause I cant make you love me if you dont You cant make your heart feel something it wont Here in the dark, in these final hours I will lay down my heart and Ill feel the power But you wont, no you wontcause I cant make you love me, if you dont Ill close my eyes, then I wont see The love you dont feel when youre holding me Morning will come and Ill do whats right Just give me till then to give up this fight And I will give up this fight cause I cant make you love me if you dont You cant make your heart feel something it wont Here in the dark, in these final hours I will lay down my heart and Ill feel the power But you wont, no you wont cause I cant make you love me, if you dont Song Discussions is protected by U.S. Patent 9401941.
