

# If I'm James Dean, You're Audrey Hepburn

## Sleeping With Sirens

Stay for tonight  
If you want to  
I can show you  
What my dreams are made of,  
As I'm dreaming of your face  
I've been away for a long time  
Such a long time  
And I miss you there  
I can't imagine being anywhere else  
I can't imagine being anywhere else but here  
How the hell did you ever pick me?  
Honestly, I could sing you a song  
But I don't think words can express your beauty  
It's singing to me  
How the hell did we end up like this?  
You bring out the beast in me  
I fell in love from the moment we kissed  
Since then we've been history They say that love is forever  
Your forever is all that I need  
Please stay as long as you need  
Can't promise that things won't be broken  
But I swear that I will never leave  
Please stay forever with me  
It goes to show, I hope that you know that you are  
What my dreams are made of  
Can't fall asleep, can't fall asleep  
I lay in my bed awake, in my bed awake at night  
As I dream of you  
I'll fall in love, you'll fall in love  
It could mean everything, everything to me  
I can't imagine being anywhere else They say that love is forever  
Your forever is all that I need  
Please stay as long as you need  
Can't promise that things won't be broken  
But I swear that I will never leave  
Please stay forever with me The way that we are  
It's the reason I stay  
As long as you're here with me  
I know we'll be Ok  
The way that we are  
It's the reason I stay  
As long as you're here with me

I know I'll be Ok They say that love is forever  
Your forever is all that I need  
Please stay as long as you need  
Can't promise that things won't be broken  
But I swear that I will never leave  
Please stay forever with me They say that love is forever  
Your forever is all that I need  
Please stay as long as you need Can't promise that things won't be broken  
But I swear that I will never leave  
Please stay forever with me
