

Revolution

Grandaddy

You say you want a revolution
Well you know
We all want to change the worldYou tell me that it's evolution
Well you know
We all want to change the worldBut when you talk about destruction
Don't you know that you can count me outYou know it's gonna be all right
You know it's gonna be all right
You know it's gonna be all rightYou say you got a real solution
Well you know
We'd all love to see the plan
You ask me for a contribution
Well you know
We're all doing what we canIf you want money for people with minds that hate
All I can tell you is brother you have to waitYou know it's gonna be all right
You know it's gonna be all right
You know it's gonna be all rightYou say you'd change the constitution
Well you know
We'd all love to change your head
You tell me it's the institution
Well you know
You better free your mind insteadBut if you go carrying pictures of Chairman Mao
You ain't gonna make it with anyone anyhow
You know it's gonna be all right
You know it's gonna be all right
You know it's gonna be all right(Repeat)
