I Want to Break Free

Queen

I want to break free I want to break free I want to break free from your lies You're so self satisfied I don't need you I've got to break free God knows, God knows I want to break freeI've fallen in love I've fallen in love for the first time And this time I know it's for real I've fallen in love God knows. God knows I've fallen in love It's strange but it's true I can't get over the way you love me like you do But I have to be sure When I walk out that door How I want to be free, baby How I want to be free How I want to break freeBut life still goes on I can't get used to, living without, living without Living without you by my side I don't want to live alone God knows, got to make it on my own So baby can't you see I've got to break free I've got to break free I want to break free
