

Born

Over the Rhine

I was born to laugh
I learned to laugh through my tears
I was born to love
I'm gonna learn to love without fear Pour me a glass of wine
Talk deep into the night
Who knows, what we'll find Intuition, deja vu
The Holy Ghost haunting you
Whatever you got, I don't mind I was born to laugh
I learned to laugh through my tears
I was born to love
I'm gonna learn to love without fear
Put your elbows on the table
I'll listen long as I am able
There's nowhere I'd rather be Secret fears, the supernatural
Thank God for this new laughter
Thank God the joke's on me Cause I was born to laugh
I learned to laugh through my tears
And I was born to love
I'm gonna learn to love without fear We've seen the landfill rainbow
We've seen the junkyard of love
Baby, it's no place for you and me I was born to laugh
I learned to laugh through my tears
And I was born to love
I'm gonna learn to love without fear
I was born to laugh
I learned to laugh through my tears
And I was born to love
I'm gonna learn to love without fear I was born to laugh
I learned to laugh through my tears
And I was born to love
I'm gonna learn to love without fear I was born to love
I'm gonna learn to love without fear
