

# Do What I Do

Lady Bri

[Intro]

Ladies and gentlemen

Let me introduce

Me

Here I come, yeah

Here I go, whoo[Verse 1]

Ain't no time for imitation

Ain't no time for playin'

I'm just gonna do me (Whoo!)

I feel elated

So elevated

I'm just doin' my thing

[Pre-Chorus]

I'ma be (Feelin' good)

What you want (Feelin' good)

What you got (Feelin' good)[Chorus]

I'm gonna do, do what I do

I'm gonna do, do what I do

Put it all together

Ain't nothin' better

I'm gonna do

Do what I do

I feel marvelous, glorious

Feel so amazing how I do (Here I go)

I feel marvelous, glorious

I'ma be who I be

I'ma do what I do

[Verse 2]

Ain't go no limitation

I just got that elevation

Do whatever I feel

I got that fire

Can't get much higher

I'm just keepin' it real[Pre-Chorus]

I'ma be (Feelin' good)

What you want (Feelin' good)

What you got (Feelin' good)[Chorus]

I'm gonna do, do what I do
