

Tu Vecina (feat. Ty Dolla \$ign)

Maluma

Letra de Tu Vecina ft. Ty Dolla \$ign[Coro: Maluma & Ty Dolla \$ign]

Tu vecina wonders why we been so quiet lately
Tu vecina wonders why you ain't been screaming "Baby"
I used to bang, bang, bang that on the daily
Tu vecina, tu, tu, tu, tu, tu, tu, tu (Maluma, baby; Aah)[Verso 1: Maluma & Ty Dolla \$ign]
Llevamos rato sin darle cariño al perro (Aah)
Y tu vecina seguramente creyendo (Aah)
Que nos mudamos pa' otro lado, yeah
Que ya no escucha ruidos raros (Aah)
Ella es testigo de lo que tú yo hacemos (Aah)
Y ha de pensar ahora mismo que no te quiero (Aah)
No hagamos nada que parezca, yeah
Que estoy comiendo en otra mesa, ah
[Pre-Coro: Maluma]
It's been too long since I heard
Heard how you scream out my name
I'm startin' to feel something's wrong
She feels it too too too too too too[Coro: Maluma & Ty Dolla \$ign]
Tu vecina wonders why we been so quiet lately
Tu vecina wonders why you ain't been screaming "Baby"
I used to bang, bang, bang that on the daily
Tu vecina, tu, tu, tu, tu, tu, tu, tu
Tu vecina is asking if I'm here to release tension
Tu vecina needs to know I still take you to heaven
I used to bang, bang, bang that on the daily
Tu vecina, tu, tu, tu, tu, tu, tu (Dolla \$ign)
[Verse 2: Ty Dolla \$ign & Maluma]
Tu-Tu-Tu vecina, where'd she go, have you seen her
Let me know if it's something that I said
Is there somebody else in my bed, oh no
Messing with my head, hope somebody ain't taking my place
You had a thick yeah, you was my babe
Now you got me lookin' at you sideways
Damn, we used to bang, bang
Hit it from the back, break the bed frame
Ass in the air like "Toot, toot"
I got a new man, he a goof true
Oh shit, no, I can't be replaced (Oh shit)
Baby, look at my face (Oh shit)
Do I look like I'm fazed (Oh shit, oh shit)
Maybe just a little bit, yeah[Pre-Coro: Ty Dolla \$ign & Maluma]
It's been too long since I heard

Heard how you scream out my name
I'm startin' to feel something's wrong
She feels it too too too too too too[Coro: Maluma]
Tu vecina wonders why we been so quiet lately
Tu vecina wonders why you ain't been screaming "Baby" (You lately, baby)
I used to bang, bang, bang that on the daily
Tu vecina, tu, tu, tu, tu, tu, tu (Que tu vecina mata)
Tu vecina is asking if I'm here to release tension
Tu vecina needs to know I still take you to heaven (Killing baby)
I used to bang, bang, bang that on the daily
Tu vecina, tu, tu, tu, tu, tu, tu
Tu vecina...
