

# One More Sleep

Leona Lewis

Snow is falling all around us  
My baby's coming home for Christmas  
I've been up all night inside my bedroom  
Said that you'll be with me real soonSo I wait and I wait  
But I've had as much as I can take'Cause I got 5 more nights of sleeping on my own  
    4 more days until you're coming home  
    3 more dreams of you and mistletoe  
    2 more reasons why I love you so  
I got 5 more nights until you're next to me  
    4 more days of being lonely  
    3 more wishes I can barely breathe  
    If I could make it till Christmas Eve  
        Then it's one more sleep  
        One more sleep until it's Christmas  
        One more sleep  
    Can't believe how much I missed us  
        One more sleep  
    One more sleep until it's Christmas  
        One more sleep yeah  
    Now I don't think I can remember  
        A cold and lonelier December  
    And I find myself sitting at the window  
    Wondering when you're gonna get back homeSo I try (try)  
        And I try (try)  
But there is nothing I can do to pass this timeI got 5 more nights of sleeping on my own  
    4 more days until you're coming home  
    3 more dreams of you and mistletoe  
    2 more reasons why I love you so  
I got 5 more nights until you're next to me  
    4 more days of being lonely  
    3 more wishes I can barely breathe  
    If I could make it till Christmas Eve  
        Then it's one more sleep  
        One more sleep until it's Christmas  
        One more sleep  
    Can't believe how much I missed us  
        One more sleep yeah  
    One more sleep until it's Christmas  
        One more sleep oh  
Until we're rocking 'round the Christmas tree  
    Until I got you sitting next to me  
    We've got a lot of catching up to do

I just can't take this of missing you  
5 more nights on my own  
4 more days, mhm  
3 more dreams, mistletoe  
I can't believe I ever let you go, yeah  
5 more nights of sleeping on my own (on my own)  
4 more days until you're coming home (until you're coming home)  
3 more wishes I can barely breathe  
If I could make it till Christmas Eve (if i can make it)  
Then it's one more sleep  
It'll be one more  
One more sleep  
It'll be one more  
One more sleep  
It'll be one more  
One more sleep yeah  
One more sleep, yeah, oh
