Planet Telex

Radiohead

You can force it but it will not come You can taste it but it will not form You can crush it but it's always here You can crush it but it's always near Chasing you home

Saying Everything is

Broken

Everyone is

Broken

You can force it but it will stay stung You can crush it as dry as a boneYou can walk it home straight from school You can kiss it, you can break all the rules

All of the rules

But stillEverything is

Broken

Everyone is

Broken

Everyone is

Everyone is broken

Everyone is

Everything is brokenWhy can't you forget?

Why can't you forget?

Why can't you forget?
