

Reason in Disguise (feat. Jorja Smith)

Ezra Collective

[Verse 1]

Cold burns with your father
Find stress in your mother
Closed eyes to be near you
Dark skies thinking bout you[Bridge]

Yooooou

You

Yooouu

They think of you

Yooooou

They miss you

They want you

[Chorus]

There's always a reason in disguise
Wish it was all just some kind of lie
There's always a reason in disguise
Oh I never know why we go through it all[Verse 2]

Something kinda odd has happened here
Saw you once but now you've disappeared
Where'd you go? Why you saying that you wouldn't cry for me?
Well I've got enough tears for two[Chorus]

There's always a reason in disguise
Wish it was all just some kind of lie
There's always a reason in disguise
Oh I never know why we go through it allNever
Never know why we go through it all
Let me tell now

[Chorus]

There's always a reason in disguise
Wish it was all just some kind of lie
There's always a reason in disguise
Oh I never know why we go through it all
No I never know
