

Give Me Your Money (feat. Tommy Cash)

Little Big

[Ilya Prusikin & Olympia Ivleva:]

Give me your money, give me your money!

Give me your money, money!

Give me your money! [Ilya Prusikin:]

Brany-money minimum

Mini-mini-mini-mini minimum

See my duffle, try my booze

Share it all, but don't abuse

Tinted windows, loaded gun

I don't keep the change for fun

La, la, la, la, lala!

Brany-money's everywhere

I don't even really care

Chocking chicks in public bath

For my life is not a big surprise

Now I've got my own way

For that shit that you don't pay

La, la, la, la, lala!

[Ilya Prusikin & Olympia Ivleva:]

Give me your money, give me your money!

Give me your money, money!

Give me your money! [Ilya Prusikin:]

Brany-money minimum

In my dirty pocket's endless gloom

Look man I'm still rockin' out

Party, party, party, party, never doubt

In the super market

Tryna find wall carpet

La, la, la, la, lala!

Brany-money light my fire

Why does everybody fucking lie

If you wanna see the truth

Come to me, don't be confused

Old school Russian gangster

Super massive rave star

La, la, la, la, lala!

[Tommy Cash & Olympia Ivleva:]

Three stripes every day

Russian carpets all the way

I squat like Sergey

Kayf life, it's a party

Money comes, money goes (money goes) - But I'll stay

Money comes, money goes (money goes) - But I'll stay (yeah)

Now scroll my body, I'm like really coolTouch me, touch me
Touch my body, touch my body
Touch my body, touch my body
Touch my body, touch my body
I'm in your blood, I am your drug
I am your wind, your stupid dog
Your angry mum, your precious cum
I'm best, that you ever had[Ilya Prusikin & Olympia Ivleva (Tommy Cash):]
Give me your money, give me your money!
Give me your money (your, your, your money)
Money! (your, your, your money)
Give me your money! (your, your, your money)
(Your, your, your money)
Give me your money (your, your, your money)
(Your, your, your money)
Give me your money (your, your, your money)
(Your, your, your money)
Give me your money, money! (your, your, your money)
Give me your money (your, your, your money)
La, la, la, la, lala!
