Shine on

<u>**R.I.O.**</u>

Open up ya eyes and watch the sunrise One part of me I've been made clear Love that goes spread all the world Me love ya comes out of devotion To rule ya spread to the world In Trenchtown I'm on my mission Where we praise the day straight our way All the nationLet me be the love that comes from the sun Let me be your rainbow rising on Every single race out of space Will shine on, shine on! Let me be the love that comes from the sun I wanna be your love light from above Shine on, shine on!Me love ya comes out of devotion To rule ya spread to the world In Trenchtown I'm on my mission Where we praise the day straight our way All the nationEverybody Listen!Let me be the love that comes from the sun Let me be your rainbow rising on Every single race out of space Will shine on, shine on!Let me be the love that comes from the sun I wanna be your love light from above Shine on, shine on, shine on! Let the sunshine down on your face No need to feel wrong, you're in the right place And me know that you feel what we are gonna tell you now So gather all your friends around and Come join me down the club, got the song, and go move you So prove you're right, so feel it tonight now Let me be the love that comes from the sun Let me be your rainbow rising on Every single race out of space Will shine on, shine on! Let me be the love that comes from the sun I wanna be your love light from above Shine on, shine on, shine on! All over the world Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
