Real World

Matchbox Twenty

Well I wonder what it's like to be the rainmaker I wonder what it's like to know that I made the rain I'd store it in boxes with little yellow tags on every one And you can come and see them when I'm done, when I'm doneI wonder what it's like to be a super hero I wonder where I'd go if I could fly around downtown, yeah From some other planet, I'd get this funky high on the yellow sun Boy I bet my friends will all be stunned, they're stunnedYeah, yeah Straight up, what did you hope to learn about here If I was someone else, would this all fall apart Strange, where were you, when we started this game, I wish the real world, would just stop hassling me And you, and you, and me Well I wonder what it's like to be the head honcho I wonder what I'd do if they all did just what I said (that's what I said) Well I'd shout out an order, I think we're out of this man get me some Boy don't make me wanna change my tone, my toneYeah, yeah Straight up, what did you hope to learn about here If I was someone else, would this all fall apart Strange, where were you, when we started this game I wish the real world, would just stop hassling mePlease don't change, please don't break 'Cause the only thing that seems to work at all is you Please don't change, at all from me To you, and you to me Yeah, yeah Straight up, what did you hope to learn about here If I was someone else, would this all just fall apart Strange, where were you, when we started this game I wish the real world, would just stop hassling me I wish the real world, would just stop hassling me I wish the real world, would just stop hassling me And you, and you, and me
