## Please Do Not Let Me Go

## **Ryan Adams**

If the walls in the room could talk i wonder to myself, would they laugh? it's like some kind of jail beams of light fall through the curtains onto the bed i'm all alone now, i can do as i please i don't feel like doing much of anything true love ain't that hard to find not that you will ever know would you leave me for awhile? please do not let me go please do not let me go You were sweet enough to sing oblivious to melody red suitcase full of clothes washed up on a shore of memories i'm all alone now, and i feel just fine i don't feel much like doing anything true love ain't that hard to find not that either one of us will ever know would you lay here for awhile? please do not let me go please do not let me go
