

Gangsta Bitches (feat. Da Brat & Trina)

Eve

Get yo' ass asthma with all that coughing, yeah
Eve where you at? Ayo Trina where you at? Ayo BratPicture this, Eve walking down the street
with two gats by her side

The one on her right Trina, the one on her left I
In a high holster, studded in rhinestone
Ready to cock back, we bust and your mind blown
Just like that, braggadocios 'cuz I'm the dopesest Brat
Most of these niggas focus on the ass that's fat
And I'm just so ferocious to the rhythm of a high hat
Why ask why?

'Cuz how, whenever I do it I buy what I wanna buy
Do what the fuck I wanna do 'til I die
Shinin' on everybody for the world to see
My timin' is always perfect, endlessly
I deserve to swerve a little and splurge a lot
With the nerve I got, wearin' these blindin' rocks
Got Chicago, Miami and Philly

A collabo, of three of the illest bitches, reallyGangsta bitch, gangsta ice, gangsta whip

Gangsta clothes, gangsta money, gangsta shows
Gangsta purse, gangsta shoes, gangsta verse
