

# Bye Bye Beautiful (DJ Orkidea Remix)

## Nightwish

Finally, the hills are without eyes  
They are tired of painting a dead man's face red with their own blood  
We used to love, having  
so much to lose  
Blink your eyes just once and see everything in ruins  
Did you ever hear what I told you?  
Did you ever read what I wrote you?  
Did you ever listen to what we played?  
Did you ever let in what the world said?  
Did we get this far just to feel your hate?  
Did we play to become only pawns in the game?  
How blind can you be, don't you see?  
You chose the long road, but we'll be waiting  
Bye bye beautiful  
Bye bye beautiful  
Jacob's ghost for the girl in white  
Blindfold for the blind dead siblings walking the dying earth  
Noose around a choking heart  
Eternity torn apart  
Slow toll now the funeral bells  
"I need to die to try"  
Did you ever hear what I told you?  
Did you ever read what I wrote you?  
Did you ever listen to what we played?  
Did you ever let in what the world said?  
Did we get this far just to feel your hate?  
Did we play to become only pawns in the game?  
How blind can you be, don't you see?  
You chose the long road, but we'll be waiting  
Bye bye beautiful  
Bye bye beautiful  
It's not the tree that forsakes the flower  
But the flower that forsakes the tree  
Someday I'll learn to love these scars  
Still fresh from the red-hot blade of your words  
How blind can you be, don't you see...?  
How blind can you be, don't you see...?  
How blind can you be, don't you see...?  
...that the gambler lost all he does not need...  
Did you ever hear what I told you?  
Did you ever read what I wrote you?  
Did you ever listen to what we played?  
Did you ever let in what the world said?  
Did we get this far just to feel your hate?  
Did we play to become only pawns in the game?  
How blind can you be, don't you see?  
You chose the long road but we'll be waiting  
Bye bye beautiful  
Bye bye beautiful  
Bye bye beautiful

Bye, bye, bye, bye!
