

Bye Bye Beautiful (DJ Orkidea Remix)

Nightwish

Finally, the hills are without eyes
They are tired of painting a dead man's face red with their own blood
We used to love, having
so much to lose
Blink your eyes just once and see everything in ruins
Did you ever hear what I told you?
Did you ever read what I wrote you?
Did you ever listen to what we played?
Did you ever let in what the world said?
Did we get this far just to feel your hate?
Did we play to become only pawns in the game?
How blind can you be, don't you see?
You chose the long road, but we'll be waiting
Bye bye beautiful
Bye bye beautiful
Jacob's ghost for the girl in white
Blindfold for the blind dead siblings walking the dying earth
Noose around a choking heart
Eternity torn apart
Slow toll now the funeral bells
"I need to die to try"
Did you ever hear what I told you?
Did you ever read what I wrote you?
Did you ever listen to what we played?
Did you ever let in what the world said?
Did we get this far just to feel your hate?
Did we play to become only pawns in the game?
How blind can you be, don't you see?
You chose the long road, but we'll be waiting
Bye bye beautiful
Bye bye beautiful
It's not the tree that forsakes the flower
But the flower that forsakes the tree
Someday I'll learn to love these scars
Still fresh from the red-hot blade of your words
How blind can you be, don't you see...?
How blind can you be, don't you see...?
How blind can you be, don't you see...?
...that the gambler lost all he does not need...
Did you ever hear what I told you?
Did you ever read what I wrote you?
Did you ever listen to what we played?
Did you ever let in what the world said?
Did we get this far just to feel your hate?
Did we play to become only pawns in the game?
How blind can you be, don't you see?
You chose the long road but we'll be waiting
Bye bye beautiful
Bye bye beautiful
Bye bye beautiful

Bye, bye, bye, bye!
