

# I Can't Help It

Dalvin Degrade

1 - I can't help it, but I  
Wanna make sweet love to you  
I know that you're not mine  
We should change that Repeat 1 I never met a, a young lady  
Who always stay on my mind  
Like you do, you know it  
That's why you're gonna be mine in time  
You're sweeter than sugar  
That's why I wanna taste you all the time  
Do everything to ya  
So now you know what's on my mind  
Repeat 1  
Repeat 1  
I've never been in love  
I never wanted to  
But you make me think about ya girl  
More than physical, I'm feelin' you  
The more you let me in your world  
Don't be afraid, I wanna please you  
I'll show you just how beautiful you are to me  
My angel  
So now you know what's on my mind Repeat 1 w/ ad-libs to fade
