

The Dead Heart

Midnight Oil

We don't serve your country
Don't serve your king
Know your custom don't speak your tongue
White man came took everyone We don't serve your country
Don't serve your king
White man listen to the songs we sing
White man came took everything We carry in our hearts the true country
And that cannot be stolen
We follow in the steps of our ancestry
And that cannot be broken
We don't serve your country
Don't serve your king
Know your custom don't speak your tongue
White man came took everyone We don't need protection
Don't need your hand
Keep your promise on where we stand
We will listen we'll understand We carry in our hearts the true country
And that cannot be stolen
We follow in the steps of our ancestry
And that cannot be broken We carry in our hearts the true country
And that cannot be stolen
We follow in the steps of our ancestry
And that cannot be broken bro- ken
Mining companies, pastoral companies
Uranium companies
Collected companies
Got more right than people
Got more say than people
Forty thousand years can make a difference to the state
of things
The dead heart lives here
