

Gold (feat. Casey Lee Williams)

Jeff Williams

Dream of anything;
I'll make it all come true.
Everything you need
Is all I'll have for you.
I'm forever
Always by your side.
Whenever you need a friend,
I'm never far behind.If the stars all fall,
When there's no more light,
And the moon should crumble,
It will be alright.
Don't you worry about the dark,
I will light up the night with the love in my heart.
I will burn like the sun,
I will keep you safe and warm.
Like the smell of a rose on a summer's day,
I will be there to take all your fears away.
With a touch of my hand,
I will turn your life to gold.
With a touch of my hand,
I'll turn your life to gold.Let's have everything,
Nothing we cannot do.
Every heart just beaming,
Every sky turns blue.
I'm so happy
Just to have you here.
Smiles bringing sunshine,
And worries disappear.
When the days turn dark,
And we start to fall,
I will pick you up and
We will fix it all.Don't you worry about the dark,
I will light up the night with the love in my heart.
I will burn like the sun,
I will keep you safe and warm.
Like the smell of a rose on a summer's day,
I will be there to take all your fears away.
With a touch of my hand,
I will turn your life to gold.
Gold...Don't worry, I've got you;
Nothing will ever harm you.
I'm close by, I'll stay here;

Through all things, I will be near. Close your eyes,
Don't you cry.
Love's around you;
In time, you'll fly. Don't you worry about the dark,
I will light up the night with the love in my heart.
I will burn like the sun,
I will keep you safe and warm.
Like the smell of a rose on a summer's day,
I will be there to take all your fears away.
With a touch of my hand,
I will turn your life to gold.
With a touch of my hand,
I'll turn your life to gold.
